- Implemented routines to control PO output, GR output and Inbound delivery output.

Project-4 - IT Industry (27 months)

Roles & Responsibilities:

- Interacting with functional consultants and Users to gather technical requirements.
- Code review / peer review.
- Giving technical support to SD.
- Analyzing Functional Inputs.
- Preparation of technical specification Unit test results.
- Design and Development
- Delegating RICEF object to the team.
- Daily status calls and interaction with team members.
- Visited client HQ office Chicago for project go-live support.

Technical RICEF implemented:

- Implemented webservices for Littelfuse Business center portal.
- Implemented BAPI programs to upload pricing condition records data, material master data and customer master data.
- Implemented BAPI programs for Order upload and contracts upload.
- Implemented ODATA for production order report with all BOM information.
- Implemented IDOC EDI interfaces with middleware B2B.
- Implemented various User Exit/BADI enhancements.
- Implemented BTEs for FBI5n/FBL3N Reports

Project-5 - IT Industry (45 months)

Roles and Responsibilities:

- Interacting with OTC and PTP functional team to gather requirements.
- Code review / peer review.
- Giving technical support to SD.
- Analyzing Functional Inputs.
- Preparation of technical specification and Unit test results.
- Design and Development.
- SD Minor configurations.
- Active interaction with front end .net team members.
- Visited client HQ office Chicago for the roll-out projects go-live support.
- Prod Support.
- Development
- Status Update

Project-6 - IT Industry (6 months)

Responsibilities:

- Development and Modification of Interface extract programs for FI/CO, MM and PP modules.
- Giving support to FI team technically.
- Analysing Functional Inputs.
- Prepared Technical Specification based on Functional Spec.
- Technical Specification review.
- Unit Testing.

Awards

- **ABAP (C_TAW12_750)** SAP Certified Development Associate - ABAP with SAP NetWeaver 7.50 Sept-2021
- **FIORI (C_FIORDEV_21)** SAP Certified Development Associate - SAP Fiori Application Developer June-2021
- **SD (C_TS462_1909)** SAP Certified Application Associate - SAP S/4HANA Sales 1909 Oct-2021
- **ABAP ON HANA(E_HANA AW_17)** SAP Certified Development Specialist - ABAP for SAP HANA 2.0 Nov-2021
